compensation office, personal financial information (loan applications), and/or records relating to the investigation of a possible criminal offense.

We understand that portions of Officer Ernest Ferguson's file relating to the June 2022 shooting death of Saudi Lee might be a part of an ongoing criminal investigation and not subject to the open records act, but we do expect the Savannah Police Department to comply with the law and produce the remainder of his file.

If my request is denied in whole or in part, the law requires your agency to justify all redactions by reference to the exemptions in the Act, specifying code section, subsection and paragraph. O.C.G.A. § 50-18-71(d). The law requires you to release all other portions of a record that contains exempt material. O.C.G.A. § 50-18-72(b). Please provide a written description of such records, together with a timetable for their inspection and copying. O.C.G.A. § 50-18-70 (f).

The Georgia Open Records Act/Freedom of Information Act Request sets criminal and civil penalties for any person or entity failing to comply with the terms of the Act. O.C.G.A. § 50-18-74. I request within three business days you provide me or a representative with access to, or exact copies of the requested public records – including records in electronic form – or, where no actual official record exists, a complete or accurate account of the information requested. Please inform me prior to making these records available if costs are to exceed \$25.00.

Sincerely,

THE CLAIBORNE FIRM, P.C.
